### THE CONTRACTS LET

For the Repair Work on the City Crematory last Night.

At its meeting last night the Council committee on health examined the new bids for the needed repairs on the city crematory, and let the work as follows: Brick work to Hamilton Bros., at their bid of \$800, they to give bond for the satisfactory fulfillment of the contract and the crematory superintendent to inspect the materials. These requirements were also made of the other contractors: Redman & Co., iron work, \$228; Wilson & Chapman, wood work, \$30; Mr. Kyle, painting, \$15, and 50 cents a square foot for the iron roof; Jones Bros., tin work, \$27.50. This aggregates \$1,160.60, with the roof painting, from \$10 to \$15, added.

All work is to be done to the satisfaction of the committee.  
Bills aggregating \$20.25 were recommended for payment.

The fire on the Nineteenth street dump was turned over to the board of public works and fire department, they to take the necessary steps to put it out. It was also resolved that the workhouse ought to furnish stone and put the road to the crematory in good condition.

### THE POLICE COMMITTEE

Considers a Number of Important New Propositions.

Last evening an important meeting of the Council committee on police was held. The policemen appointed by City Sergeant McNichol were confirmed. The wages of the special policemen appointed by the mayor on account of the street car troubles, amounting to \$161, were ordered paid.

The committee approved the chief's request for two horses for the patrol wagon and a house for it and the team in the rear of the city hall.

The chief also asked for seven new men—a night roundman, a man to look after the collection of city licenses, a corner man at Market and Fourteenth streets, and others to patrol the main part of the Third ward and Main street in the business section. He also recommends that the patrol drivers and lockup keepers be paid as much as policemen. These recommendations were sent on to Council without any expression of the committee's opinion.

### CRIMINAL ASSAULT

On a Colored Woman Charged Against Newton Calbert.

Newton Calbert, a teamster, who resides with his wife and family three miles back of Martin's Ferry, was arrested last night charged with criminal assault on Mrs. Sarah Bingham, a colored woman, living with her husband, west of Martin's Ferry. The attempt was made, according to the woman, on March 4, but she would not tell her husband before yesterday, as she feared he might kill Calbert. Both are of respectable families.

### Early Vegetables Away Up.

The season is at hand when the early Southern and forced vegetables and fruits begin to come in for the local markets. The prices just now are rather high, and the demand must necessarily be limited.

Key West tomatoes, like the ciders that come from that little island, are away up, wholesaling at \$1.50 per gallon, and at retail for \$2.

A few strawberries are received from Florida, very nice ones too, but the ordinary mortal thinks awhile before giving up 50 cents for a quart.

Southern radishes sell for 50 cents a dozen, rhubarb at 15 cents a bunch, cucumbers only 25 cents apiece, lettuce, home grown, commands 20 cents a pound.

### The Modern Way

Commends itself to the well-formed, to do pleasantly and effectually what was formerly done in the crudest manner and disagreeably as well. To cleanse the system and break up colds, headaches and fevers without unpleasant after effects, use the delightful liquid laxative remedy, Syrup of Figs.

### PLEASANT ENTERTAINMENT.

Clay School Pupils Give Two Fine Performances.

Yesterday afternoon and last evening the pupils of the Clay school gave an entertainment in the grammar room, the proceeds to go toward buying a piano. The programme was excellently arranged and rendered, the only drawback being that the room was too small to hold the people. The large audiences were both very appreciative.

An address was made by Lawrence Reymann, followed by a solo by Miss Nellie Egarter, and a chorus by rooms 7 and 8. Doll drill, ring drill and doll show were popular features. Clark Riker delivered a recitation and Miss Pollack gave a violin solo.

After this came a May-pole dance, the participants being Lida Younger, George Pryor, Annie Waddell, Dan Thomas, Bella Faris, Elwood Prager, Nellie Huseman, John Fair, Laura Leonhart, Charles Van Keuren, Lizzie Van Keuren, Charlie Green, Minnie Brandt, Curtis Robinson, Stella Crookard, David Brooks, Carrie Brandt and Luke Fitton.

In the Empire drill those who took part were Carrie M. Baer, Ida Speil, Mattie Johnson, Jennie Britt, Lillie Houston, Alice Kepner, Mary Barbour, Agnes Craddock, Ethel Bailey, Nellie Simpson, Holly Patterson, Cora Matthews, Catherine Johns and Beulah Hubbard.

Greek postures followed, and then a Gypsy dance. Miss Etta Linehart was the queen, Louis Huseman the peddler, and Grace Reich the fortune teller.

Manda Speil and Carrie Brandt acted "the two Toppies." The "load stools," a pretty feature, a solo by Emma Hanauer, and a grand march by those in the May pole dance, Empire drill and Gypsy dance closed the performance.

The costuming was elaborate and beautiful.

Beware of Frauds.—Be sure you get the genuine Dr. Thomas' Electric Oil. It cures Colds, Croup, Asthma, Deafness and Rheumatism. DAW
